What do visitors think?

"It's very important to come along to the Group Leisure & Travel Show. I came out with a list of who I wanted to speak to today, but I've still spoken to a lot of different people who I didn't even know about and have been very interesting. I can't believe how much information there is and how friendly everyone is. There is so much here to take in."

**Brenda Redmile,
Gardening Friends**

What do exhibitors think?

"We've had some really good conversations today with people who we know are going to book with us. We've dropped every other group travel event as this is the only one where we know we'll meet good quality group organisers."

**Anna Bennett,
Visit Ely**

What do exhibitors think?

"Today's been great, and we've had a lot of interest in the Spectacular, which we're confident will turn into new business. I think this has been a really good investment for us, our stand has been busy and it's lovely to see so many different stands - the place is full. We've met a lot of people in the trade which is exactly what we wanted. The right kind of people are here."

**Elizabeth Goode,
Thursford Christmas Spectacular**

What do exhibitors think?

"I was expecting to see the same people as last year, but that's not been the case. There are lots of new folk that I don't recognise, so it's really, really positive. I love coming to the show, the day flies by. As soon as it finished last year, I knew I wanted to be in the same spot."

Alan Rennie,
Ambassador Cruise Line

What do visitors think?

"The venue is quite easy to get to and it's spacious. We mainly come for ideas, anything that is a bit different, that we haven't done before. You often struggle for ideas of new places to go to and that's why we come. Everybody is very friendly and very helpful."

Judith Carver
The Arts Society, Solihul
